ABOUT US

The down town School, Guwahati a premium day boarding school located at the picturesque location of Hatishila has been set up with the primary intention of providing a comprehensive, holistic education to the future change-makers of the society. Education is not just following the academic curriculum. It also includes development of human values, life skills, and adequate physical and mental agility.

Great Location! Just 15 minutes from Narengi, Guwahati

Our Educators are committed to nurture the unique talents and abilities of each student through the NEP 2020 policies that includes not only academic learning but also human values, 21st century skills, and physical and mental agility. A school with a no bag policy , we offer a wide range of extracurricular activities such as sports, music and art that help our students develop their physical and creative abilities. Our state-of-the-art facilities provide a safe and nurturing environment for our students to learn and grow.

Our campus boasts bright and airy classrooms and activity rooms on each floor for pursuing science, technology, art and music. Students will eat their meals in a professionally catered dining room with an additional outdoor cafeteria nestled amongst greenery.

Being a day boarding facility the student comes in the morning and all major meals, academics, games, sports and extra-curricular activities are covered during the school hours. The routine has been planned in a way that each student has ample opportunities to pursue his/her own interests apart from academic work.

Art is encouraged from a very young age for students of dtS. Creative thinking is highly encouraged.

The down town school, Guwahati aims to build a community of future change-makers, designers, policy makers, creative artists. We invite you to come join us in our journey of bringing forward an enriching learning experience for your child.

VISION & MISSION

VISION

Our vision is to have a calm, effective, and orderly learning environment that satisfies the requirements of every child in terms of academics, social development, and personal growth. We want to encourage a love of learning by making school engaging and enjoyable.

MISSION

Our goal is to raise exceptional students who have the courage to speak up for what they believe in, as well as minds that are active and creative. We prepare an educated citizenry whose humane values and core competencies form the basis of an ethical, creative and evolving society that contributes proactively to bring peace and progress in every sphere of life.

FROM THE DESK OF TRUSTEE MEMBER

Dear Parent,

“

I delightfully welcome you in to the dtS family.

We provide a distinctive educational environment that enables young persons to grow not only in intellectual capacities, but also in other dimensions of their being. We believe in a joyful experiential learning system wherein; each child is encouraged to participate wholeheartedly! We encourage children to grab every opportunity that comes their way which would not only help in their holistic growth but also strengthen their belief in teamwork, which is important in this fast-paced world.

We believe in empowering our children in such a manner that they act as representatives of a meaningful and value-based society! Our pedagogy which is holistic and comprehensive compliments this. We have a team of dedicated educators whose boundless energy and intense commitment keep the ethos of our school shining brightly. We maintain an inclusive environment which acknowledges and respects children from diverse family and cultural backgrounds. We aim to offer a safe, happy place where everyone is known and valued, and where differing needs are attended and taken care of.

Our comprehensive development programs provide students with an international learning experience, while preserving our core Indian values.
